Dear Colleagues,

Hello again and always a great pleasure to welcome you THE 23rd ASIA PACIFIC SYMPOSIUM ON CRITICAL CARE AND EMERGENCY MEDICINE (APSCCEM) 2016, to be held in Kuta, Bali - Indonesia.

As you might notice that our event has been change in name from International Symposium on Critical Care and Emergency Medicine in to Asia Pacific Symposium on Critical Care and Emergency Medicine. Although stated Asia Pacific, in heart we always dream that our three day symposium benefit as many people as possible, from every corner of the globe.

Conducted by dedicated speakers, as well as expert in their field from both local and international. Who will bring international multi-disciplines expertise to nurture, where participants can learn, share and participate. The three day symposium will be include formal presentations, tutorial, pro-con debate, and meet the expert. Open to all Physicians, Nurse and other health professionals interested in intensive care and emergency medicine.

Let’s embrace the good friendship and good knowledge in the beautiful island of Bali.

We are looking forward to see you.

Warm Regards,

Tri Wahyu Murni

Joseph Varon

SYMPOSIUM INFORMATION

Venue
- Discovery Kartika Plaza Hotel, Kuta - Bali
- Bali Rani Hotel, Kuta - Bali

Period
- The 23rd Asia Pacific Symposium On Critical Care And Emergency Medicine: August 4 - 6, 2016
- Pre Symposium Workshop and Course: August 2 - 3, 2016
- Post Symposium Workshop and Course: August 6 - 7, 2016

Symposium Secretariat & Mailing Address
NQ - Citra Organizer
Komplek Perhubungan Udara Blok B9, Rawasari, Jakarta Pusat - Indonesia
Phone: [+6221] 4248 330
Fax: [+6221] 4248 330
Contact: Rani +62813 - 1822 - 0387, Bayu +62813 1081 0555
E-mail: nqcitra@gmail.com / nq.citra@yahoo.co.id
Website: www.asiapacificccem.org

Call for Papers/ Poster/ Case Presentation
Participants are invited to submit abstract for presentation on the official abstract form no later than (June 30, 2016). Free Paper/ Poster will not be processed until the registration fee have been received and acknowledge.

Exhibition
The exhibition will take place in Pre-Function, Discovery Kartika Plaza Hotel, Kuta - Bali, featuring among others, the latest pharmaceutical products, instrument and equipments for clinical management and research. The location of services and features of both the Symposium and the Exhibition will be carefully planned to encourage delegates to circulate through all areas. Companies interested in participating in the exhibition can request more information and orders forms from the Symposium Secretariat.

Official Letter of Invitation
The Organizing Committee will issue an invitation letter upon request. The sole purpose of the letter is to facilitate the participant’s travel visa arrangement and does not imply the provision of any financial or other support by the Organizing Committee.

Name Tag / Badge
Participant
Symposium participants are obliged to wear Name Tag / Badge during the symposium to obtain full access to all Symposium Program and facilities. Please note that NO BADGE NO ENTRY.

Exhibition
For security reasons and full access to exhibition areas, coffee breaks, all exhibitors must wear their name badges.

Liability
The Organizing Committee shall not be held liable for personal accident or losses or damage to private property or registered participants of the Symposium. Participant should make their own arrangements with respect to personal insurance.

Disclaimer
Whilst every attempt will be made to ensure that all features of the symposium mentioned in this announcement will take place as scheduled, the Organizing Committee reserves the prerogative to make the last minute changes should be arise.

Website
http://www.asiapacificccem.org
The Symposium website will be updated on a regular basis and will give the latest details on the scientific program and other symposium information.

GENERAL INFORMATION

Passport and VISA
All visitors to Indonesia must possess passport that are valid for at least 6 months from the date of arrival along with the proof (ticket) of onward or return passage. The free visas for short visits are granted imply for citizens for the following countries: Brunei Darussalam, Chile, Hongkong Special Administration (Hongkong SAR), Macao Special Administration (Macao SAR), Malaysia, Morocco, Philippines, Peru, Singapore, Thailand and Vietnam.

The government provides visa on arrival for the following countries: Argentina, Australia, Brazil, Canada, Denmark, Finland, France, Germany, Hungary, Italy, Japan, Norway, New Zealand, Poland, South Korea, South Africa, Switzerland, Taiwan, United Kingdom (UK), United Arab Emirates (UAE), and United States of America (USA).

Visa on arrival (VOA) can be obtained at the designated ports of entry into Indonesia.

Participants, whose countries are not mentioned above, please contact the Indonesia Embassies in respective countries to apply for visas prior to their departure to Indonesia. In any case that an invitation from host committee is required, please contact the secretariat of The 23rd Asia Pacific Symposium On Critical Care And Emergency Medicine 2016 for further arrangement. The invitation letter is only intended for supporting letter in obtaining visa and not for financial support. For update information, you are suggested to consult with the Indonesian Embassy in your home country.
PRE SYMPOSIUM WORKSHOP & COURSE

TWO DAY COURSE

ULTRASOUND LIFE SUPPORT

(August 2 - 3, 2016) IDR 3.000.000,-
Supported Equipment by IDS MED
Matahari Room, Bali Rani Hotel
Course Director: Mahathar Wahab (MAL)

Topics:
1. Point-of-care Ultrasound in Trauma Care: Empowering life Support Protocols
2. Critical Ultrasound techniques: Image Generation, Acquisition, Interpretation & Administration
3. ASSESSMENT: Upper Airway Ultrasound
4. PROCEDURES: ETT, Crico-tyroidotomy, Tracheostomy
5. ASSESSMENT: Pleural effusion, alveolar consolidation, interstitial syndrome, pneumothorax
6. US-Enhanced Trauma Management Respiratory Protocols & Interactive Cases (BLUE)
7. ASSESSMENT: Introduction to echocardiography
8. ASSESSMENT: Critical Hemodynamic assessment: heart morphology / performance /filling state, pericardial effusion/tamponade, caval vein variations
9. ASSESSMENT: Non Traumatic abdominal pain
10. US-Enhanced Trauma Management: Cardio-Circulatory Protocols & Interactive Cases (FEEL,FATE,L/H/CV)
11. US HANDS-ON & SIMULATION: ALL FACULTY (Human Models)
   - Machine Orientation and Knobology
   - Upper Airway Ultrasound
   - Lung Ultrasound
   - Basic Focused Echocardiography
12. ASSESSMENT: eFast
13. ASSESSMENT: Abominal Aortic Aneurysm: detection, measurement, normal/dissection and rupture
14. ASSESSMENT: thrombo-embolic disease: deep venous thrombosis, pulmonary embolysm
15. PROCEDURES: Peripheral & central venous catheterization
16. CONCEPTS ON HEAD-TO-TOES SECONDARY MANAGEMENT & MONITORING: Head, Thorax, Abdomen, Limbs (Assessment, treatment, monitoring and follow-up)
17. ABCDE PRIMARY MANAGEMENT:
   - US Trauma Life Support (US-TLS)
   - US Prehospital Trauma Life Support (US-PHTLS)
   - US Pediatric Trauma Life Support (US-PTLS)
   - US Advanced Cardiac Life Support (US-ACLS)
18. Ultrasound Education and development: WINFOCUS global initiative for PHC, EM and CCM
19. US HANDS-ON & SIMULATION: ALL FACULTY (Human Models)
   - DVT
   - CVL
   - EFAST
   - Aorta and IVC
HALF DAY COURSE / ONE DAY COURSE

MECHANICAL VENTILATION (August 3, 2016)
Supported Equipment by RAJAWALI NUSINDO
Samudra Room, Bali Rani Hotel
Course Director: Patrick Seow Koon Tan (MAL)

- MECHANICAL VENTILATION BASIC (HALF DAY COURSE) IDR 1.000.000,-
  Topics:
  1. Pulmonary Mechanics and Physiology of Ventilation
  2. Basic ventilator principles and modes of ventilation
  3. Starting mechanical ventilation: Process, protocols, progress
  4. Non-Invasive Ventilation
  5. Weaning and Failure to wean

- MECHANICAL VENTILATION ADVANCE (HALF DAY COURSE) IDR 1.000.000,-
  Topics:
  1. Heart and Lung interactions, ARDS
  2. Asthma, COPD, Ventilation in children
  3. PRVC, APRV, Prone Ventilation, High frequency oscillation, ECCO2R

TWO DAY COURSE

BASIC COURSE
BASIC INTENSIVE CARE COURSE (August 2 - 3, 2016) IDR 3.500.000,-
Bali Rani Hotel
Course Director: Ross Freebairn (NZ)

Lecture:
- Assessing the Seriously Ill Patient, Acute Respiratory Failure, Airway Management,
- Mechanical Ventilation BASIC, Mechanical Ventilation Modes, Mechanical Ventilation
- Settings, Mechanical Ventilation Trouble shooting, Basic Haemodynamic Monitoring,
- Shock, Severe Sepsis & Septic Shock, Neurological Emergencies, CPR, Arrhythmias,
- Oliguria & Acute Renal Failure, Transport of the Critically Ill Patient, Nutrition and
- Thromboembolic & Prophylaxis, Trauma, EXAM.

Skill Station:
- Mechanical Ventilation, Assessment, Airway, CPR, ABG, Trauma, Paediatrics

ONE DAY COURSE

DIFFICULT CONVERSATIONS IN THE ICU
(August 3, 2016) IDR 500.000,-
Samudra Room, Bali Rani Hotel
Course Director: Anita Elias (USA)

### GUIDELINES FOR ABSTRACT SUBMISSION

Participants are invited to submit an abstract for the congress. Only electronic submissions are accepted. Oral and poster presentations will be selected from submitted abstracts based on scientific merit by the Scientific Committee. Abstracts must adequately describe the objectives and results so that the quality and originality of the abstract can be evaluated by the scientific committee. All abstracts should be accomplished following the layout guidelines. Abstract layout guidelines:

- abstract title (Arial, 12pt, bold)
- names of main authors and coauthors (presenting author underlined) (Arial, 11pt)
- affiliation of all authors (Arial, 11pt, Italic)
- body text including objectives, methodology, results and conclusion (Max. 350 words) (Arial, 11pt)

TWO DAY COURSE

PEDdiATRIC BASIC INtENSIVE CARE COURSE

(August 6 - 7, 2016) IDR 3.500.000,-
Matahari Room, Bali Rani Hotel
Course Director: Stephen Jacobe (AUS)

This is the pedriatic version version of the Basic Course, written and delivered by expert in Paediatric Intensive Care. It is a 2 day course consisting of lectures, skill station and tutorials taught by Paediatric Intensive Care specialist, with an emphasis on a practical approach to management of critically ill patient Pre-course there is a MCQ-based formative assestment, and a Course textbook, mailed to participants prior to the course. There is a Post-Course MCQ test.
The target audience is:
- Junior PICU doctors with little PICU experience
- Senior trainees in paediatrics or emergency medicine
- Senior PICU nurses

Join Us for a memorable dinner! Get a new experience dinner with speakers from overseas, surrounded by Balinese architecture and grace, seeing the beauty of the full moon and an evening of Traditional Balinese Dance and Gamelan Orchestra!!

FULL DAY TOUR

COOKING CLASS AT BUMBU BALI IDR 800,000,- / USD 80

(6 AM – 3 PM - Monday, Wednesday, Friday – Maximum 14 pax) Discover the spiced flavours of Bali’s virtually unknown cuisine. Classes offer a fascinating introduction to the exotic ingredients and unique culinary heritage of Bali. They provide a valuable insight into the various techniques of food preparation and the cooking style. Each tantalizing recipe is accompanied by clear step-by-step descriptions for easy reference. Participants will be guided into the many secrets, and Flavours of Bali and at the same time, discover and feel the peacefulness of a harmonious Balinese home.

After four most informative and entertaining hours in the kitchen the small group will face the grandest and Final task, sampling and enjoying the mouth watering dishes which the group has prepared. The day will conclude after a glass of piping hot Balinese co!ee & desserts. Inclusive of: - Return transfers - Lunch & non-alcoholic beverage - Course handout and certificate

TOUR BASED ON NO MINIMUM NUMBER (JOIN REGULAR TRIP) SPACE SUBJECT TO AVAILABILITY
HALF DAY TOUR

GWK & Uluwatu Temple IDR 300,000,- / USD 30

Depart 8:30 - 12:30 hrs or 14:30 - 18:30 hrs. Start the program visiting Garuda Wisnu Kencana (GWK) cultural park. The main attraction of GWK Cultural Park is the gigantic statue of Garuda Wisnu that is intended to be one of the tallest and largest modern day sculptures. Combined with its pedestal, the statue is planned to reach 126 meters in height with its wings span 64 meters across. Next stop is Uluwatu Temple which is one of Bali’s six most important temples. It is only a small temple, but the cliff top location, with a dramatic 70 meter drop into the Indian Ocean, has spectacular views of the surrounding coastline. Watch your sunglasses, or any other lose objects that you might be carrying as the monkeys are.

Inclusive of: Roundtrip transportation with air-conditioned vehicle, excursion led by professional English speaking guide, chilled mineral water and cold towel during the tour, entrance fees and donations for the temples.

MONKEY FOREST, MENGWI AND TANAH LOT IDR 650,000,- / USD 65

Depart at 08:30 - 13:30 hrs. Tanah Lot is another iconic image of Bali - a temple perched on a steeply walled rock, just offshore. It is a photographer’s delight. Before making our way to Tanah Lot, we will go to ‘Alas Kedaton’, Bali’s famed monkey forest. You have the chance to see Balinese monkeys in the wild. The forest is populated with nutmeg trees, some of which are over 30 meters in height. We then continue to Mengwi to see ‘Pura Taman Ayun’ temple. ‘Taman Ayun’ literally means beautiful garden and the temple is regarded as the most beautiful in Bali. Lunch at Patio Restaurant and Lounge at Plataran Bali offers a unique culinary experience from one of the island’s most creative chefs in a serene jungle. Overlooking a river shaded by giant bamboo with verdant rice terraces beyond, this boutique resort recreates traditional village architecture on a site that feels as though time has forgotten it.

Inclusive of: Roundtrip transportation with air-conditioned vehicle, excursion led by professional English speaking guide, chilled mineral water and cold towel during the tour, entrance fees and donations for the temples, Balinese lunch at Patio restaurant.

FULL DAY TOUR

BEACH CLUB CRUISE IDR 900,000,- / USD 90

Depart 08:00-17:00 hrs. Let us whisk you away to Nusa Lembongan Island as you enjoy this beautiful region of Bali on our Lembongan Beach Club Cruise. During the Bali Hai Beach Club Cruise you will cruise to Nusa Lembongan aboard Bali Hai II, our luxury catamaran. Upon arrival in Lembongan Bay we will transfer you to Mushroom Bay to experience the unspoiled charms of a peaceful tropical island at the private Bali Hai Beach Club Lembongan Island Beach Club. Relax on golden beaches, snorkel and swim from the beach in tropical water, or just relax in the hammocks of our peaceful gardens. If the mood takes you, an array of day activities such as kayaking, snorkeling, scuba diving, parasailing plus lots more. The Beach Club experience can be combined with any of our other day activities, oering someone for everyone in your family. At lunch time there is an appetizing BBQ lunch, which includes salads and fresh sh grilled at our pool-side cabana. For families travelling to Nusa Lembongan we provide a fully serviced kids club which allows mum and dad to relax whilst we look after the young ones. Our team of dedicated professionals will ensure that everyone enjoys the day out. If you are not ready to leave in the afternoon, then why not join us at the and enjoy the beautiful sunset in Lembongan Bay and the wonderfully unique accommodation, our very own Nusa Lembongan.

Inclusive of: Roundtrip transportation with air-conditioned vehicle, light refreshment on board and entertainment, BBQ lunch on the beach club, unlimited water activities (excluding diving & parasailing) TOUR BASED ON NO MINIMUM NUMBER (JOIN REGULAR TRIP) SPACE SUBJECT TO AVAILABILITY
